# BOOST YOUR PERFORMANCE IMPROVED FEATURES

Elevate your workspace with TengTools PRO35™ tool storage. This storage boast a host of enhanced features crafted to boost your performance. From reinforced drawer designs capable of holding up to 40kg to precision-engineered compatibility with our Tool Control System, every detail has been refined to ensure seamless functionality and unparalleled convenience. Say goodbye to cluttered workspaces and hello to streamlined productivity.

The drawers are tested pulling them out and pushing them in more than 35,000 times with maximum drawer load.

## 3-DIGIT COMBINATION LOCK

Flexible Security Options - Secure your tools with our multiple lock options. Switch between combination and key locks depending on your preference, keeping your tools safe and accessible.

## FLAT ALUMINIUM DRAWER FRONT HANDLES

Aluminum handles with space for labelling ensure you stay organised. Label your drawers to reflect the contents, tailored by you.

## NEW REINFORCED DRAWER DESIGN

Our drawers are engineered to fit TengTools Tool Control Modules seamlessly. Reinforced and capable of holding up to 40kg, they're built for heavy-duty use.

## FOAM WORKTOP MAT AS STANDARD.

Upgrade to hard-wearing laminated MDF or sleek stainless-steel worktops. Available in multiple sizes for a perfect fit.

## COMFORT GRIP HANDLE

Ergonomically designed for ease of movement. When used with a side shelf it creates extra space for storing longer items conveniently at your side.

## EXTRA TOOL PROTECTION

Noise reducing and protective EVA foam mats supplied in each drawer

## FULL EXTENSION BALL BEARING SLIDES

Each drawer is fully extendable with ball bearing slides ensuring a smooth and reliable opening, and closing action every time.

## HEAVY-DUTY CASTORS

Navigate your workspace with ease using our robust castors. Supplied with two fixed and two swivel, with brakes for stability when you need it.

## RECESSED SIDE HANDLES (TOOL CHESTS)

Fold-down side handles with 150 kg capacity each.
